Foreword

There's A Light In That Darkness

Light in the classroom and in the laboratory, light on the field and on the court, a spotlight on stage, a flambeau on parade, a bonfire in the night—we can hardly deny the importance and the effects of this physical light on our multiple activities. But here at DLS, we Cavaliers, involved in those minor skirmishes and sometimes major engagements that make up our field of growth,

can trust that there is another light that will encourage us in our efforts. And that light is not far, nor is it dim. For if we but sincerely “look to thy light to inspire us,” we can certainly find within your halls and on your fields that intellectual stimulation and spiritual insight, that social judgement and athletic prowess that will assure full development into the true Catholic American.

Dedication The 1966 Student Body In Recognition of Scholarship

In past years, our forerunners have found it proper to dedicate their volumes to a person or to a team of individuals that has clearly contributed to our school, and thereby to the community, an enormous service—our founders and builders, our parents and teachers, our administrators. And now, appropriately, we turn our attention to that other element without which no school can long endure.

Many are those who, pointing either to trophies or

letters or medals or ribbons—or maybe to all these citations, can thus give witness to their scholarship. United with these are many others whose scholarship is not so recognized. Yet, theirs too is a scholarship that is effective and true. It is from September to May a scholarship borne witness to by naught but perspiration. It is to these upholders of our excellence, the student with citation and the student by perspiration, that we dedicate the Maroon Legend of 1966.

Student Council President Skip Dufour presents Brother Amedy with a check on behalf of the Student Body.

The Maroon Legend Staff of 1966 wishes to congratulate two brothers at De La Salle who are celebrating their jubilees this year. Brother N. Charles has served devotedly as a professed Christian Brother for fifty years, and our Principal, Brother Amedy, has completed twenty-five years of dedicated service. The staff hopes that this page may serve as a tribute to these men for their service to God and for their devotion as teachers of young men.

Brother Charles assists at Mass on the occasion of his fiftieth jubilee.

Student Council Leadership at Work

With a demand for cooperation, the 1966 Student Council took the lead encouraging classes and organizations to take responsibility for school activities—dances, pep rally skits, team-backing endeavors, and Fall Festival organization. Their call for cooperation was heeded and there were results: the Vice Presidents' change machine became a reality, and a boon to the breezeway's "vending machine vendetta." The Student Body's native competitive spirit, urged on by

the Student Council's open encouragement, helped supplement the dedicated efforts of Coach Aucoin, resulting in an enthusiastic intramural program. Donkey Basketball found faculty and Seniors in substantial agreement—the asses don't cooperate. And speaking of "coop," the Student Council came to the aid of the faculty, assuming control of cafeteria traffic. Conclusion: "Bein' a cop ain't so easy."

SENIORS

Valedictorian

Glenn C. Keife

This year's valedictorian has proven himself to be outstanding in many fields. Excelling in leadership, Glenn was elected Secretary of the Student Council. Combining his many talents, he served as President of the De La Salle Chapter of the National Honor Society, as well as Secretary of the society's City-Wide Chapter and District Governor of Mu Alpha Theta. Furthermore, Keife has been the recipient of many academic awards and has participated in various other activities. De La Salle can be justly proud of Glenn Keife, whose leadership and academic abilities have put him in the forefront of outstanding students at DLS.

Next year, Glenn will be attending Georgia Tech on a four-year scholarship. We are confident that his achievements in the future will surpass those at De La Salle.

Salutatorian

George A. Blount, Jr.

The Salutatorian of the Class of '66 has proven his academic abilities by receiving an honor diploma and the Religion Award. George was also a recipient of Torch Award III and has consistently placed in the annual Science Fairs.

As Editor-in-Chief of the *Maroon Legend* 1966, Blount clearly demonstrated his leadership abilities and service to De La Salle.

Extracurricular activities also played a major role in George's four years at DLS. In addition to his years of service on the *Maroon Legend* Staff, he was a member of the National Honor Society and the Catholic Students' Mission Crusade, as well as several other organizations.

Our best wishes for continued success go with George to the University of Dallas where he will begin his studies in the Fall on a four year scholarship.

ACTIVITIES

Senior Ring Day

Early this school year, the Senior Class of 1966 assembled in St. Stephen's Church for Holy Mass, celebrated by De La Salle chaplain Father Anthony Rechtin. Father Rechtin delivered a sermon on the significance of the Senior Rings which were to be blessed following Mass. After Mass had been completed and the rings blessed by Father Rechtin, the Class Officers distributed the rings to their proud owners.

Seniors Begin Week by Initiating Freshmen

Homecoming Week began with the second annual Freshman Initiation, a week long period of freshmen answering a list of questions for which Seniors provided the correct answers and climaxed by the running of the Senior gauntlet. Early in the week students, after careful consideration, voted for Miss Amelie Schwartz to be Homecoming Queen. Wednesday night, the Homecoming Court was presented to the students at the bonfire and pep rally. Thursday night, the fighting Cavaliers rode to victory over the South Terrebonne Gators. Dickie Mart was named outstanding player by the Alumni Association.

State Literary Rally

This year, De La Salle was again represented by a strong State Rally Team at the annual State Literary Rally held in Baton Rouge. Those students who finished highest in a series of tests given on campus composed the team. Once again, those boys who represented De La Salle showed their excellence in various fields by returning with an impressive record. First place honors were achieved by Robert Churella in U. S. History, and John Olivier in Latin II. Joseph Skelly, Spanish I; Lewis Remele, Civics; and Frank Fromherz, General Math, were awarded with third places in their respective subjects. Gaining Fourth Places were Joseph Skelly, English I; and Stewart Barnett, Spelling.

The efforts and achievements of the entire team were recognized at the annual DLS Award Night as they were presented with participation letters.

Sunday Night.

Again this year the Junior-Senior Prom was held on Easter Sunday night, April 10, at the Jung Hotel. Benny Spellman and the Aubrey Twins were on hand along with Deacon John and his Ivories. Juniors and Seniors arrived decked out in white, blue, red, black, madras, and iridescent purple tuxedos, so there was no lack of color at the dance.

The prom was a success thanks to Mr. Al Murphy, Roy Cascio, and the prom committee.

Senior Prom

Buffet Begins Special Night

On May 20, 1966, the Grand Ballroom of the Royal Orleans was the scene of the class of '66 Senior Prom. For the first time, the prom was preceded by an eight o'clock buffet. Since the prom was on a Friday, it was necessary to gain a dispensation for those at the buffet.

The Seniors and their dates were given favors—

the Seniors key chains, and their dates charm bracelets with a DLS ring. The music for the dance was provided by John Fred and the Playboys.

As usual the Senior Prom was a great success, due largely to the work of the prom committee headed by Jimmy Duplass.

Graduation Activities

Day Begins With Baccalaureate Mass

For this year's Seniors, graduation activities began at 9 A.M. with a Baccalaureate Mass celebrated by Archbishop Hannan in the Church of the Immaculate Conception on Baronne Street. The Sermon was given by De La Salle's chaplain, Father Anthony Rechtin, C.M.

Immediately following the Mass, the graduates, along with their parents and friends, proceeded to the International Room of the Roosevelt Hotel for a de-

licious breakfast presided over by Archbishop Hannan. After breakfast Brother Amedy conferred gold hoods upon the twenty-five Seniors graduating with honors. Recognition was given to the graduates who earned scholarships or who merited awards to be presented at the Commencement Exercises or at Award Night. A very interesting talk was given by His Excellency, concluding the morning's ceremonies.

Determination Yields Success

After a disappointing 1-8-1 record last year, the fighting Cavaliers were ready to show what they could do in '66. This year's team, with such stand outs as Dickie Mart and Duke Chappuis, was not taken lightly by its opponents. Injuries ruined what could have been the Cav's best season in recent years. With returning men like Chappuis, Routeu, Landland, Voigt, and Kronn, and the able coaching of Leemon McHenry, Al Ott, Jim Hanley, and Ed Stassi. The Cavaliers are sure to be better than ever.

Cavs Take CYO Tournament

This year's Cavalier basketball team surprised everyone by being a strong contender for the State crown. The Cavs' impressive record of 27 wins and 7 losses includes a second place finish in the Chamette Tournament and first place in both the CYO and Newman Tournaments.

The Maroon and White clad basketballers used team work and a lot of hustling to come on top. Even though this year's team didn't go to State, the Cavalier spirit never faltered.

With the return of veteran starters Richard Senac, Duane Reboul, and Mark Evers and the talented coaching of Johnny Altobello, the Cavs look good for another successful season.

Varsity Baseball

Baseball has been in the past one of the strongest sports at De La Salle, and this year's team was no exception. The Cavs compiled a 10-3-1 record in a hotly contested District race. With one of the strongest pitching staffs in the district and the outstanding coaching of Johnny Altobello, the team finished second and third respectively in the two rounds.

Seniors were few on this year's team. The starters included four Juniors and two Sophomores. After a little experience in American Legion ball, the Cavs should return next year ready to go to State.

For the first time, this year DLS participated in the newly formed Greater New Orleans Golf Prep League on both the varsity and junior varsity levels. The varsity compiled a 2-5 record and the J.V. took the city crown with a 6-1 worksheet. Besides competing in the city golf league, the Cavalier golfers took part in the USL tournament in Lafayette, the New Orleans Golf Association tournament, and the State Meet in Baton Rouge. Cavalier Band

Again this year, in a well-rounded program of study, concerts, parades, half-time performances, and contests. The De La Salle Cavalier Maroon And White Band has brought deserved honor and enthusiasm to its school, under the direction of Brother C. Eugene, F.S.C., and the leadership of Band President George Marks and Drum Major Frank Zimmerman. The band marched in the St. Patrick's Day Parade and the Spring Fiesta Parade, as well as the usual Mardi Gras parades; performed at every football game; and gave concerts at various local schools. Highlighting the year's activities were three formal concerts, one in joint appearance with the Dominican High School Band.

The coveted "Superior" plaque for LMEA contest sight reading was won for the second time in three years. Many of the members were rated Superior by LMEA judges, and many others merited Excellent ratings.

In addition, this year's Cavalier Stage Band, one of De La Salle's finest, was enthusiastically received on a tour of Southwest Louisiana.

Mu Alpha Theta

Mu Alpha Theta, a National Honorary Mathematics Society, has the distinction of being the largest active club at De La Salle. At the close of this year, twenty-seven new members were inducted into the club.

The annual State Convention, a joint effort of both the De La Salle Chapter and the Riverdale Chapter, was held in the Jung Hotel in February.

The DLS Chapter sponsored a dance for all of the out-of-town chapters.

The De La Salle Chapter of MAO was very honored to have Brother Charles Klein as moderator, Glen Blankenstein as Chapter President, Robert Groves as State Vice President, and Glenn Keife as District Governor.

Mayor Schiro addresses student body before mock mayoral election

Action Stems From Interest

Members of this year's Civics Club have shown it again to be one of the most active organizations on campus. Early in the school year, the club responded to the urgent needs of the hurricane victims by organizing a Betsy Drive which netted over \$500. Later, at the request of the club, both mayoral candidates for the City of New Orleans presented their platforms before the student body. The speeches were followed by a mock election on campus. During the second semester, the Civics Club joined with the National Honor Society in sponsoring an educational trip to Washington, D.C.

Regular meetings of the club featured speakers on government and civic affairs. The year was climaxed by a canned food drive. Food was dispensed to the needy of the Ninth Ward of Orleans Parish which was still feeling the after-effects of Hurricane Betsy.

National Honor Society

The past year proved to be a successful one for the DLS Chapter of the NHS. Mr. Alvin L. Murphy, Moderator, and Glenn Keife, President, provided the guidance for the society's activities. The year was highlighted by a trip to Washington, D. C. in conjunction with the Civics Club. Also among the

successful projects of the society was College Night, which gave the opportunity to parents of Juniors and Seniors to learn about the colleges their sons may attend in the future. As a climax to the year's work, new members were accepted into the society at an impressive induction ceremony.

Epilogue

As we prepare to complete the few remaining pages of *The Maroon Legend 1966* we feel that we cannot ship our final copy to the publishers without extending our sincere thanks to those who have contributed in so many ways to the production of this book. We therefore pause to mention a few of those to whom we are particularly indebted, with the hope that this recognition will make a fitting conclusion to this record of De La Salle in 1966. We extend our thanks and gratitude to: those few members of the Maroon Legend Staff who have put their time and effort into the preparation of this yearbook: the De La Salle Photography Club, notably Jim McCann, Gabriel Mouledoux, and John Campbell, who spent a great amount of time taking many of the top-quality pictures used this year, as well as contributing many long hours in the darkroom developing and printing; Mr. Paul Palermo of Tipery Studio who also provided untiring assistance in the line of photography; and Mr. Fred Elsing, Jr., representative of Taylor Publishing Company, who gave us much needed advice in the preparation of layouts.

Certainly our moderator, Brother Justin, deserves the thanks of all the students and faculty for his efforts and ideas incorporated in this book.

Finally, we must thank those at De La Salle who have assisted us in our work. We are grateful to the many students and faculty members who helped provide picture identifications. Thanks is also due to the faculty for their generous cooperation in obtaining necessary information and materials during the summer.

As for ourselves, it has been both a privilege and a pleasure editing *The Maroon Legend 1966*. It is our hope that this issue may be enjoyed for many years by the students to whom it is dedicated, particularly the graduates of 1966.

In the future, may this volume serve as a reminder of an outstanding year.
